## Facial Treatments

### Glycolic Peels

Using glycolic acid to treat ageing, acne, acne scarring & skin discoloration. Dramatically softens, smoothes, evens skin tone, reduces fine lines & wrinkles & depth of scarring. Both 40% and 70% peels are available.

Age Intervention Peel

Factor A+ Peel

10 for the price of 8 or 6 for the price of 5

### Prelase Peels

Combines Glycolic, L-Lactic and Salicylic Acid for a clearer, smoother complexion. Loosens dead skin cells. Promotes blemish free skin. Use on all skin colours & types. Reduces pore clogging & size.

### Vitamin C Antioxidant

A Powerful antioxidant, protecting the skin from pollution & ageing. Skin becomes measurably firmer, more resilient & facial contours will appear tighter and more defined through collagen stimulation. Includes back massage.

### Age Intervention/Factor A

Addresses ageing skin changes by targeting hormone levels & sun exposure. Deep exfoliation, smoothes out fine lines & wrinkles. Firms & tones, removes dead skin cells.

Includes chemical peel

Including hands

### Proteolytic Enzyme Facial

Digests dead skin cells, improves skin texture & firmness. Encourages collagen stimulation & removal of impurities

### Eye Repair Treatment
